

Czech-Japanese Seminar in Applied Mathematics 2010

first announcement

August 30 - September 3, 2010
Faculty of Nuclear Sciences and Physical Engineering,
Czech Technical University in Prague

Characteristics:

Following the meetings in 2004 and 2006 in Czech Republic, and 2005 and 2008 in Japan, this scientific colloquium organized by the Department of Mathematics, FNSPE CTU in Prague is devoted to the meeting of young Czech and Japanese applied mathematicians dealing with numerical solution of partial differential equations, mathematical modelling and numerical simulation of problems in technology, environment, biology and computer science. The meeting is being prepared in the collaboration of the CTU in Prague, the Kyushu University in Fukuoka, the Hiroshima University and University of Miyazaki, Japan.

Local organizer: M. Beneš, Department of Mathematics, Faculty of Nuclear Sciences and Physical Engineering, Czech Technical University in Prague, michal.benes@fjfi.cvut.cz
